Together, we can make a real difference for kids, schools and communities.

Go Green for Schools

Did you know that only 2.3% of Americans recycle their cell phones but that 90% of Americans reported they would recycle their cell phones if there was an easy way to do it?

Go Green for Schools is a new and innovative cell phone recycling initiative brought to you by Qwest. By recycling your cell phone with Qwest, you keep unused cell phones out of landfills and reduce green house gas emis-

sions. This recycling program also helps raise money for public school districts and preK-12 Pioneer educational initiatives.

Visit <http://www.qwest.com/gogreenforschools> for more information.

Qwest Direct Awards

The Direct Awards Program will help you raise money for your Pioneer chapter. Direct Awards allows Pioneers the opportunity to raise money for their Pioneer Chapter by referring customers to Qwest.

Our Pioneer chapter will earn \$15-40 for each Qwest strategic product purchased through the Direct Awards program and kept for 30 days. Strategic products include Broadband, Digital Voice, Digital TV, and Wireless.

Call your chapter president for chapter referral codes and more information.
